With the individual budget, the member shall have the authority to purchase goods and services to meet the member's assessed needs and may choose to employ providers of services and supports. The services, supports, and items that are purchased with an individual budget must be directly related to a member's assessed need or goal established in the member's service plan. (3) In aggregate, costs for individual budget services shall not exceed the current costs of waiver program services. In order to maintain cost neutrality, the department shall apply a utilization adjustment factor to the amount of service authorized in the member's service plan before calculating the value of that service to be included in the individual budget amount.

(4) The department shall compute the utilization adjustment factor for each service by dividing the net costs of all claims paid for the service by the total of the authorized costs for that service, using at least 12 consecutive months of aggregate service data. The utilization adjustment factor shall be no lower than 60 percent. The department shall analyze and adjust the utilization adjustment factor at least annually in order to maintain cost neutrality.

(5) Individual budgets for respite services shall be computed based on the average cost for services identified in subparagraph 78.34(13) "b"(2). Respite services are not subject to the utilization adjustment factor in subparagraph 78.34(13) "b"(3).

(6) Anticipated costs for home and vehicle modification are not subject to the average cost in subparagraph 78.34(13) "b"(2) or the utilization adjustment factor in subparagraph 78.34(13) "b"(3). g. Budget authority. The member shall have authority over the individual budget authorized by the department to perform the following tasks:

- (1) Contract with entities to provide services and supports as described in this subrule.
- (2) Determine the amount to be paid for services. Reimbursement rates shall be consistent with rates paid by others in the community for the same or substantially similar services.
